Team taught in conjunction with New England Spine Institute

MODULE 5: THORACIC SPINE

MODULE 6: CERVICAL SPINE

**Dennis Skogsbergh, DC, DACBR, DABCO
Matt Kowalski, DC, DABCO**

**NUHS is accredited by the Commission on Accreditation of the Council on
Chiropractic Education and by the Higher Learning Commission of the
North Central Association of Colleges and Schools.**

■ OVERVIEW

Year 2 of the Clinical Orthopedics Diplomate Program focuses on the Spine and its related conditions. Material will be presented in a case or problem based format whenever possible.

Each individual session is structured to support regional conditions and is therefore not significantly dependent on other sessions or modules (i.e. each session is freestanding).

Satisfactory completion of the program leads to eligibility to sit for examination by the American Board or Academy of Chiropractic Orthopedists

■ COURSE OBJECTIVES

The learner will be able to:

- Develop and advance clinical effectiveness and confidence.
- Gain the knowledge and capability to handle complex orthopedic cases.
- Expand the diversity of clinical practice
- Enhance marketability as a provider.
- Improve preferred provider status.
- Aid in establishing interdisciplinary associations.
- Augment expert witness credentials.
- Identify controversies in management strategies.
- Advance the utility and indications of the various diagnostic procedures for specific clinical problems.
- Emphasize the logic of problem solving and differential diagnosis.
- Cultivate dynamic interaction with various members of the health care team.

■ REGISTRATION

- **MAIL**
Send completed registration form and payment to:
NUHS Postgraduate Division
200 East Roosevelt Road
Lombard, IL 60148
- **FAX**
Fax completed registration form and payment information to: 630/889-6482

IMPORTANT

Every attempt is made to offer this program as publicized. However, the NUHS Postgraduate Division reserves the right to adjust program dates, location, times, instructors, etc., to accommodate unexpected faculty or student needs and cancel due to insufficient enrollment. For this reason, we do not recommend at-the-door registrations without prior confirmation of seminar status. Attendance will be limited, register for the program prior to making hotel and travel arrangements. NUHS is not responsible for any expenses incurred by registrants due to program adjustments or cancellation. License renewal hours applied for in IL, IA, IN, MO, and KY. If license renewal credit is needed, please inquire if this course is approved for your state.
